PROGRAM 2.

HEALTH BOOKLETS

HEALTH CARE IN RAJA AMPAT IS VERY LIMITED. MANY VILLAGES ONLY HAVE A MIDWIFE AND HAVE TO TRAVEL TO ANOTHER VILLAGE TO SEE A PARAMEDIC OR DOCTOR. A HOSPITAL IS CURRENTLY UNDER CONSTRUCTION IN WAISAI, BUT OTHERWISE PATIENTS MUST TRAVEL TO SORONG.

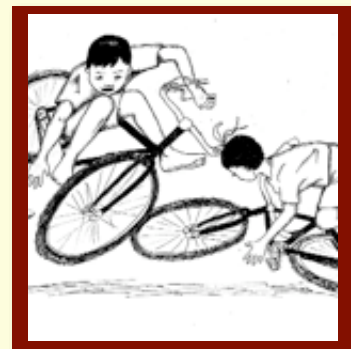

HEALTH EDUCATION IS ALSO VERY LIMITED AND EVEN SIMPLE PROBLEMS CAN BECOME MUCH WORSE DUE TO POOR HYGIENE AND MISDIAGNOSES.

A SERIES OF 15 ILLUSTRATED BOOKLETS EACH DEALING WITH A DIFFERENT HEALTH MATTERS HAVE BEEN PRODUCED BY AUSTRALIAN NURSES JIM AND ROBYN NOTTINGHAM, IN INDONESIAN LANGUAGE. THEY HAVE GIVEN FULL PERMISSION FOR THESE BOOKLETS TO BE PRINTED AND USED IN PAPUA.

WE WOULD LIKE TO PRINT 2 SETS OF THESE BOOKETS, ONE IN INDONESIAN AND ALSO IN THE 3 MAIN LOCAL LANGUAGES FOUND IN RAJA AMPAT. MANY PEOPLE ESPECIALLY MOTHERS, DO NOT SPEAK INDONESIAN VERY WELL AND ARE THE ONES MOST IN NEED OF BASIC HEALTH EDUCATION.

THE COST TO TRANSLATE EACH BOOKLET IS Rp 1,000,000 PER LANGUAGE. 1 BOOKLET X 3 LANGUAGES =Rp3,000,000(US\$320)

TO PRINT 1000 COPIES OF ONE BOOKLET - 10 FOR EACH VILLAGE - 6 FOR SCHOOLS, 2 FOR THE POSYANDU(MOTHERS AND BABIES MONTHLY CLINIC), 2 FOR THE CHURCH/MOSQUE, WILL COST Rp10,000 x 1000 = Rp10,000,000 (US\$1100)

TOTAL COST FOR 1000 COPIES OF ONE BOOKLET IS Rp13,000,000. (US\$ 1,420)

DISTRIBUTION WOULD BE UNDERTAKEN BY CONSERVATION INTERNATIONAL AND THE NATURE CONSERVANCY FIELD STAFF.

PLEASE HELP SUPPORT COMMUNITY HEALTH CARE EDUCATION IN RAJA AMPAT.

TARGET US\$ 1420
